OUR MISSION

To provide
a happy and purposeful environment
for pre-school children, thus enabling them
to adjust to the changed environment away from
home and parents for a short period each day
and to learn **social skills** with their own peer groups.
We aim at directing their **imagination** and
encouraging their **practical ability** in such a way
as to give them **self-confidence** and eager
anticipation of their future at "Big Schools"!

OUR UNIQUENESS

Children-centred:

- Carefully designed **building and all facilities** to suit preschoolers to make them feel cozy and secure.
- Focus on developing **the right attitude towards learning** as the foundation of their life.
- **Joint assembly** in the garden every morning, where children raise the flag, sing the song to start the day happily together.

Caring staff:

- **A smiling and friendly welcome** each day
- **Approachable teachers** who are
 - always willing to give advice to parents.
 - paying attention to what children would like to communicate verbally and non-verbally.
 - encouraging children to express their opinions with respect to others, so that they will grow up with **a friendly and helpful attitude** towards each other.

OUR CURRICULUM

NODDY applies the Early Years Foundation Stage (EYFS), a British curriculum with emphasis on the **Free-Flow-Play** method where children will choose their own activity of interests and while teachers carefully accommodate, observe and guide them throughout the activities. This method is widely applied in the UK Pre-schools and proved to **best broaden children's imagination, creativity and self-confidence.**

All activities are conducted in **English language.**

Small classes: Maximum 12 children for Nursery and K0 classes and 15 in all other groups.

Free Play Periods: Children can enjoy a big lawn. They will be observed, but not directly supervised as it is at this time that they learn to socialise and to use their imagination.
